EXAMINER'S COMMENT

Receipt is acknowledged of the Information Disclosure Statement filed on August 16, 2004 and a copy is enclosed herewith. The Office action from 10/264,764 and the International Search Report for International Application PCT/EP02/01961 is also acknowledged and all the cited documents have been fully considered. The citation of the search report was removed from PTO 1449 (by drawing a line through) because an office action or the International Search Report itself is not a proper publication *per se* that complies with the requirements of 37 CFR 1.97 and 1.98 and therefore, will not appear on the patent as a cited document.
